TO HELP YOU UNDERSTAND

It is your right and our desire that you have as much information as possible regarding the cost of services that we offer. The most significant factors determining cost is the time spent by our personnel and the use of funeral home facilities. Personnel and facilities must be available 24 hours a day, every day of the year. Much of what we do is apparent and some is not. Traditions, social customs, personal feeling, tastes, and a multitude of other factors affect each funeral. Our services must conform to each family's personal wishes and religious, emotional and financial needs.

Our fixed overhead expenses are our monthly bills totaled for the year and divided by the number of services held that year and based on the type of service we provide. Our overhead expenses include taxes, employee salaries, building maintenance, capital improvements, stationery supplies, advertising and promotions, utilities, heat, telephone, electricity, yard maintenance, and insurance - fire, theft, liability, automobile, casualty, and workman's compensation.

Meeting with the family to secure vital statistic information, obtain Physician's signature, file the death certificate with the registrar of vital statistics in the municipality where the death occurred, obtaining permits for the burial or cremation and obtaining as many certified copies of the death certificate as necessary for the family's needs. Obtaining obituary information and transmitting that information to all newspapers requested by the family. Complete all necessary forms such as: Veterans Benefits, Social Security forms, and insurance claims.

Coordinate times of the following services as needed: the clergy, cemetery, crematory, fraternal lodges, or other organizations, military honors and others responsible for the final disposition of the deceased.

Oversee all aspects of the funeral including conducting the funeral service according to the family's wishes, staff available to supervise the funeral service and/or visitation, give out funeral information to family, associates, florists and friends, use of chapel or equipment for church service as needed, and arranging and care of flowers for best appearance.

Complete cost, depreciation, maintenance and operation for our hearses, limousines, sedans, and other vehicles needed for the families we serve.

GREEN BURIAL PRACTICES

Porter Loring Mortuaries offers environmentally friendly ("Green") burial practices for our families wishing for eco-friendly services. A Green, or eco-friendly funeral is an alternative to a traditional burial or cremation resulting from environmentally friendly options Porter Loring Mortuaries can provide.

The concept of a Green burial is to add different "shades of green" to the service - depending on how green the family wishes to be. The darkest shade of green entails no embalming, burial in a shroud or all natural fiber clothing, and burial directly in the earth in a biodegradable casket or urn. This shade also entails burial in a Green, or natural cemetery with no outer burial container.

The opposite spectrum of a Green funeral is the lightest shade of green where one would not be embalmed, they would be placed in a biodegradable casket or urn and would be buried in a traditional, non-green cemetery, of which most require an outer burial container. Home visitations, public visitations, church funerals and graveside services are options that may be arranged within the time frame green burials allow.

As the first member in San Antonio of the Green Burial Council, a nonprofit organization that encourages the use of burial as a means of facilitating the restoration, acquisition, and stewardship of natural areas, we will strive to meet the needs of our eco-friendly, Green, families. No matter how green a family wishes to be, Porter Loring Mortuaries will be with them every step of the way.

CASH ADVANCE ITEMS

This represents items that may have to be paid in advance separately. These items include:

Certified copies of the death certificates: Certified copies in Texas are \$20.00 for the first copy and \$3.00 for each additional copy. Should additional certified copies be requested after the initial order, up to one year from the date of death, individual counties/registrars may charge \$21.00 for the first copy and \$4.00 for each additional copy, as a convenience to the family.

Newspaper notices: The local newspaper provides for a paid obituary which may include biographical information, survivors, service information, memorial contribution information, and a photograph. We will also be glad to place obituaries in out-of-town newspapers at your request. These newspapers may have a charge, which will be billed to the family. For the local Express-News, their charge includes the obituary to appear as a local spotlight obituary within their online obituaries page.

Some other cash advance items are: police escorts, musician fees, flowers, crematory fees, and additional transportation.

OUTER BURIAL CONTAINER PRICE LIST

Prices are effective August 15, 2020 and are subject to change without notice.

In most areas of the country, state or local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not sink in. Either a grave liner or a burial vault will satisfy these requirements.

The following cemeteries require that a permanent Outer Burial Container be used: Sunset Memorial Park, Mission Burial Park, Mission Burial Park North, Mission Burial Park Retama, San Fernando II, San Fernando III, Meadowlawn Memorial Park, Locke Hill Cemetery, Holy Cross Cemetery, Resurrection Cemetery, Hill Country Memorial Gardens, Agudas Achim Memorial Garden, and Beth-El Memorial Park.
