## TO HELP YOU UNDERSTAND

It is your right and our desire that you have as much information as possible regarding the cost of services that we offer. The most significant factors determining cost is the time spent by our personnel and the use of funeral home facilities. Personnel and facilities must factors affect each funeral. Our services must conform to each family's personal wishes and religious, emotional and be available 24 hours a day, every day of the year. Much of what we do is apparent and some is not. ## GREEN BURIAL PRACTICES

Porter Loring Mortuaries offers environmentally friendly ("Green") burial practices for our families wishing for eco-friendly services. A Green, or eco-friendly funeral is an alternative to a traditional burial or cremation resulting from environmentally friendly options Porter Loring Mortuaries & Cremation Services can provide.

The concept of a Green burial is to add different "shades of green" to the service - depending on how green the family wishes to be. The darkest shade of green entails no embalming, burial in a shroud or all natural fiber clothing, and burial directly in the earth in a natural cemetery with no outer burial container. biodegradable casket or urn. This shade also entails burial in a Green, or natural cemetery with no outer burial container.

The opposite spectrum of a Green funeral is the lightest shade of green where one would not be embalmed, they would be placed in a biodegradable casket or urn and would be buried in a traditional, non-green cemetery, of which most require an outer burial container. Home visitations, public visitations, church funerals and graveside services are options that may be arranged within the time frame green burials allow.

As the first member in San Antonio of the Green Burial Council, a nonprofit organization that encourages the use of burial as a means of facilitating the restoration, acquisition, and stewardship of natural areas, we will strive to meet the needs of our eco-friendly, Green, families. No matter how green a family wishes to be, Porter Loring Mortuaries & Cremation Services will be with them every step of the way.

**OUTER BURIAL CONTAINER PRICE LIST**

**Prices are effective August 22, 2022 and are subject to change without notice.**

In most areas of the country, state or local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not sink in. Either a grave liner or a burial vault will satisfy these requirements.

The following cemeteries require that a permanent Outer Burial Container be used: Sunset Memorial Park, Mission Burial Park, Mission Burial Park North, Mission Burial Park Retama, San Fernando II, San Fernando III, Meadowlawn Memorial Park, Lockehill Cemetery, Holy Cross Cemetery, Resurrection Cemetery, Hill Country Memorial Gardens, and Beth-El Memorial Park.
